MADRAS RECORD OFFICE

Proceedings of the Madras Government, Marine Department,
5th May 1876.

Passages.

No. 7. Read the following letter from Colonel A. B. JOHNSON, Officiating Secretary to the Government of India, Marine Department, to the Controller of Military Accounts, dated Fort William, 24th April 1876, No. 92 :—

Reports.
Vessels.

I am directed to forward, for your information and guidance, the accompanying modifications of Clauses 14 and 15 from Section XXII of the Indian Navy Code for 1862, which I am to request you will consider as being in force in respect to Indian Government vessels carrying Government passengers.

No. 94.

Copy of the above, and of the modified clauses of the Code therein referred to, forwarded to the Chief Secretary to Government, Fort St. George, for the information of His Grace the Governor in Council, and for guidance.

(By order.)

(Signed) ARTHUR CROOKSHANK, Captain,
Asst. Secy. to the Govt. of India.

Modified Clauses (14 and 15) of Section XXII of the Indian Navy Code of 1862.

When a Commander is directed to make preparation for any passengers, the Government of Madras may authorize the payment to be made to such officer, or to his agent, of half the estimated amount of table money ; and on the completion of the service, when the number of persons accommodated, and the time they were actually entertained on board, is known, the remainder of the sum may be paid on the usual abstract being passed.

If it should happen that a passenger does not embark after the order for receiving him has been given and provision thereupon made for his reception, or, having embarked, should be relanded or transferred to another ship, the Commander will nevertheless retain so much of the half allowance authorized as may be required to cover the expenses he may have been put to in making the necessary preparations for him. His claim to this compensation for charges incurred should be supported by sufficient vouchers, or, when these cannot be given, by a statement on honor.

No. 8. ORDER THEREON, 5th May 1876, No. 161.

Ordered that the foregoing papers be published in the *Fort St. George Gazette*, and that they be communicated to all departments for information and guidance.
