Proceedings of the Board of Revenue

(Separate Revenue),

Dated 22nd October 1898. 189 .

Mis No. 4265

Read letter from J.H. Merriman Esquire, Deputy Commissioner, Northern Division, No. 3704, dated 10th October 1898, submitting proposals for temporary establishment required for the supervision of the harvesting of 'ganja' crop in Daggupad during the current fasli year.

Resolution:-

In Government Order Mis.No. 690, Revenue, dated 11th February 1898, the sanction of Government was accorded for the entertainment of temporary establishment (two Sub-Inspectors and four peons) required for the supervision of the harvesting of the ganja crop in the Bapatla taluk of the Kistna District during the past season.

2. The Board now begs to submit its proposals for the entertainment of Sub-Inspectors and peons for the current season. It is reported that 77 applications have been received for cultivating 168 acres and 92 cents in the villages of Daggupad

Daggupad and Pusapad during the current fasli year. This is nearly five times the extent of land actually cultivated during the past season; and in view of the large extension of cultivation the Assistant Commissioner, Masulipatam Sub-Division, proposes that the total area should be divided into four blocks varying in size according to the compactness or otherwise of the fields comprised therein and that four Sub-Inspectors, with an orderly of two peons each, should be employed for a period of three months commencing from the 15th January next. The Assistant Commissioner's proposals have the support of the Deputy Commissioner and are approved by the Board. The temporary officers for whose entertainment sanction is now asked will all be in the last grade as in the past year.

3. Two proposition statements, in duplicate, are herewith submitted for sanction. The cost can be met from the provision in the budget.
