Proceedings of the Madras Government, Revenue Department, 28th January 1861.

No. 413. Read the following letter from W. HUDLESTON, Esq., Sub-Secretary to the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 16th January 1861, No. 287:—

SIR,

With reference to the Proceedings of Government, dated 18th October 1860, No. 1,902, *In Consultation*, 19*th October* 1860, *No.* 5,322. I am directed by the Board of Revenue to submit a Statement showing the area in square miles and population of each District under this Presidency, prepared from the most recently received materials available in this Office.

The return has been drawn up from the information obtained by Mr. Pelly on the re-arrangement of Táluqs, and the entries in it of area and population will be found to tally exactly with those in the Budget Statement of 1860-61, which accompanied the Board's letter to Government of this date, No. 286. The population entered in the recent returns obtained by Mr. Pelly differs in some respects from the returns of the census taken in Fasli 1266; and in this instance the latter returns have been taken as correct. The extent of area given in the accompanying statement is for the Districts as they are at present constituted.

No. 414. ORDER THEREON, 28th January 1861, No. 208.

The Board of Revenue are requested to show the particulars of area and population for *Madras* "exclusive of the Presidency," and to give the particulars for "the Presidency" separately below. The Statement forwarded by the Board is returned for correction accordingly.

(Signed) J. D. BOURDILLON,
Secretary to Government.
