*Proceedings of the Madras Government, Revenue Department,
25th January 1869.*

No. 449. Read the following Proceedings of the Board of Revenue, dated 18th December 1868, No. 8,882:—

Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 17th August 1868, No. 100.

1. I have the honor to submit, for sanction, the accompanying estimate, amounting to Rupees 38,480, for completing the road from Vizianagram to Gajapatinagram, in the Vizagapatam District.

2. This road was commenced in 1862 with a sum of Rupees 6,500 contributed by the Honorable the Maharajah of Vizianagram, and the earth-work was done for the whole distance, viz., twelve miles, with a few small tunnels; but the road at present is in a very bad state, and the traffic on it is very heavy.

3. The present estimate provides for all the bridges and tunnels as well as for gravelling and metalling, and the Collector* whose letter on the subject is herewith enclosed, highly recommends the completion of the line. As the road beyond Gajapatinagram is now being constructed from Local Funds, I think the cost of this portion should also be charged to the same source.

* Vizagapatam.

ENCLOSURE No. 1.

From the Collector of Vizagapatam, to the Superintending Engineer, 1st Division, dated 20th July 1868, No. 611.

I have the honor to forward, herewith, the plans and estimates received from the Vizianagram Range Officer, for reconstructing the road from Vizianagram to Gajapatinagram.

From District Engineer, 26th March 1862, No. 1,563.
To do. from Collector, 12th May 1862, No. 830.

2. This road, I find, was originally constructed at a cost of Rupees 6,500, in 1862-63, the funds being provided by the Honorable the Maharajah of Vizianagram.

3. The present estimate amounts to Rupees 38,400, including bridging, &c.

4. From Mr. Hamnett's letter (to be returned) it will be seen that the road is in a very dilapidated state, and that funds are urgently required. It would be a pity to allow it to continue as it is, more so, as the portion beyond Gajapatinagram is being constructed from Local Funds.

5. I have therefore countersigned the estimates, and beg you will submit them to Government or sanction.

ENCLOSURE No. 2.—Plan.

ENCLOSURE No. 3.—Estimate.

TRANSFERRED to the Revenue Department, the road in question being a continuation of one under construction from Local Funds.

*Proceedings of the Madras Government, Revenue Department,
25th January 1869.*

REFERRED to the Board of Revenue for report.

FORT ST. GEORGE,
4th September 1868.

(Signed) R. A. DALYELL,
Acting Secretary to Government.

With the foregoing letter, the Superintending Engineer submits an estimate, amounting to Rupees 38,480, for completing the road from Vizianagram to Gajapatinagram, and suggests, that as the

* From Gajapatinagram to Parvatipoor. northern continuation* of the road is under construction from Local Funds, the present estimate also should be sanctioned from that source. The Board observe that this work is entered in the ensuing year's Road Fund Budget, with an allotment of 10,000 Rupees. The estimate now received will accordingly be submitted for the sanction of Government.

2. The portion from Gajapatinagram northwards to Parvatipoor appears in the current year's Road Fund Budget,† with an allotment of 70,000 Rupees;

† Item No. 5. the estimate for it amounting to Rupees 1,25,553, exclusive, the Board believe, of large bridges, was sanctioned in Government Order, Revenue Department, dated 31st May 1867, No. 1,223. The total estimate for the line amounts thus to Rupees 1,62,033. The Collector is requested to state, how much has been actually spent on this line up to 31st March 1868, and to the end of last month.

No. 450.

ORDER THEREON, 25th January 1869, No. 216.
