No. 63. ORDER THEREON, 3rd September 1869, No. 2,495.

Miscellaneous.

THE Right Honourable the Governor in Council regrets to learn that Colonel Christie's efforts for the destruction of the Cuddapah tiger have been unsuccessful, and trusts that he may be more fortunate in the expedition which he now proposes to make in the neighbourhood of Kotagherry.

2. His Lordship in Council is of opinion that Lieutenant-Colonel Christie's suggestion that inducements should be held out to the Police force to aid in destroying dangerous tigers, which are believed to be man-eaters, is well worthy of consideration, and he resolves to request the Inspector-General of Police to give notice that the Government will be prepared liberally to reward any successful efforts which may be made in this direction by the officers or men of the force, and to reimburse any *bona fide* expenditure which may be incurred for the purpose.

Sir

I have the honor to inform you for the information of the Government that I have received the Rewards of the Cuddapah Legal, and have ascertained by personal observation, and satisfactory evidence that the Animal is now shot at present, or has it been heard of for about two months under the circumstances, as the jungles are at present very dry and unhealthy. Instructions to address to Captain Wyllie Superintendent of Police Travancore Tigers generally, I would recommend the Government to employ Native Hunters.
