COLLECTOR OF THE

Madras District,

To

THE SECRETARY TO GOVERNMENT,

Revenue DEPARTMENT,

Madras.

SIR,

As cholera was prevalent in the District in the last quarter of 1897 and cholera medicines were very dear in the local markets, 192 lbs of camphorodine costing Rs 26-11-7 were obtained on indent from the medical stores in December last for sale to the public. It has been usual to do so in this District.

The Accountant General has on this occasion placed the account under objection and requires the sanction of Government for the purchase. I have the honor, therefore, to request

request that you will be so good
as to obtain its sanction. In future
such purchases will not be made
without the previous sanction of
Government.

I have the honor to be,

From The Accountant-General.

Dated 16th December 1898.

FOR ORDERS.

Madura Collector's
Letter of 24. 11. 98.

It appears that when cholera was prevalent in the Madura district, 192 phials of camphorodyne costing Rs 26-4-7 were obtained on indent from the medical stores in December 1897 for sale to the public, as cholera medicines were very dear in the local markets. The Accountant-General having placed the amount under objection, the Collector requests the sanction of Government for the purchase.

2. The Accountant-General states that the sanction of Government is necessary under para 2 of G.O. no 681 Local of 19. 3. 89 to admit the charge. That para it is laid down "that the charge for cholera medicines is one to which

Local boards are liable, and it is only in exceptional cases that Government will accept charges on this account. In the present case, however, the Government will not have to bear any charge, as camphor-dyne was purchased ^{not for being supplied gratis but} for sale to the public. The sanction of Government does not therefore seem necessary. The Financial Department may be consulted as to whether the Accountant-General could not admit the charge without the sanction of Government.

Yes the Secy. is right. The sanction of Govt is necessary, whether the medicine be sold or not. It was the duty of the Loc. Bd. to make the necessary arrangements for a supply of medicine. H-11-15
