*Proceedings of the Madras Government, Revenue Department,
1st February 1869.*

No. 1. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Camp at Mercara, 16th December 1868, No. 2,042-72 :—

1. Instead of altogether putting a stop to demarcation operations in the Trivellore Talook, I have found it feasible to advance towards the line of boundary in dispute between this talook and the adjoining Zemindary, and have for this purpose

made use of the remainder* of the advance of Rupees 17,500 originally granted

for the purpose, but which in my letter, given in Proceedings of Government, dated 1st August 1868, No. 2,072, I proposed to devote to the demarcation of the Ponairy Talook.

2. It is not advisable that work should be stopped in the Trivellore Talook, as it is very desirable to have the lands now in dispute demarcated immediately after the settlement of the boundary line by the officer deputed to do so; it will be hardly possible, moreover, for the next few months to keep the whole Demarcation Establishment employed in Ponairy, from the difficulties met with in the distribution of boundary stones to the various depôts.

3. Under these circumstances, I have the honor to request sanction to the sum of Rupees 10,000, for the completion of the Trivellore Talook, being advanced to the Demarcation Officer, and the sum of Rupees 13,000, by which amount the funds available for Ponairy have been reduced, (as explained in paragraph I.) replaced by an advance to that amount thus:—

	RS.
Advance required to complete Trivellore	10,000
Do. do. for north Ponairy to replace the sum originally looked on as available...	13,000
	23,000

No. 2. ORDER THEREON, 1st February 1869, No. 265.

Land Revenue.

The advance of Rupees (23,000) twenty-three thousand, is sanctioned.
