PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th December 1875.

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to H. E STOKES, Esq , Acting Secretary to the Board of Revenue, dated Chepauk, 22nd November 1875, No. 3,442/155 :—

I HAVE the honor to state that the Deputy Superintendent of No. 1 Party has brought to my notice that the practice on the Nilgiri Hills regarding notice of the sale of waste lands differs somewhat from that described in paragraph 14 of Proceedings of the Board of Revenue of the 13th October 1875, No. 2,852.

2. In the abovementioned paragraph it is stated that "Besides the time for preliminary inquiry (Rule XI.) and survey and demarcation (Rule VIII.), three clear months' notice of sale must be given (Rule IX.)"

3 Hitherto the time for demarcation and survey has been included in the three months' notice.

4. The request for survey is sent to the Survey Office when the land is first advertised, and the maps are forwarded before the expiration of the three months' notice.

SUBMITTED to Government in continuation of the Board's Proceedings referred to.

2. The course described by the Board is that ordered in the rules. Rule VIII. clearly shows that the survey is to be completed before the sale notice issues.

3. The Commissioner of the Nilgiris will report on the alleged non-observance of the rules.
