Rainfall returns.—Issuing, with instructions, ninety-five copies of — for use in each district.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—again Proceedings of the Board of Revenue (R.S., L.R. and Agri.), No. 641, dated 15th September 1892.

ABSTRACT.—Issuing ninety copies of rainfall returns for use in each district and giving certain instructions thereon.

RESOLUTION—No. 444, dated 6th December 1898.

In continuation of B.P., No. 641, dated 15th September 1892, ninety-five forms of the monthly rainfall return (Season Report, section I), showing the grouping of the rainfall stations arranged systematically according to the distribution of the rainfall, are herewith forwarded for the use of the Collectors.

2. If any change is thought necessary in the lists, the matter should be reported for the sanction of the Board with a statement of the reasons for the change.

3. The order of the stations given in these lists should be adhered to in all future returns of rainfall whether weekly, monthly or annual. The attention of the Collectors will, however, be drawn to the instructions conveyed in B.P., No. 550, dated 4th August 1892, regarding the averages to be reported to the Meteorological Reporter to the Government of India in the weekly rainfall telegrams despatched to that officer. He will, however, be requested to state, with reference to his letters read in the Proceedings quoted, for which stations the rainfall should now be included in these telegrams.

(True Extract.)

Secretary.

To the Collectors of all districts, except Madras, with forms.
" Meteorological Reporter to the Government of India.

Copy to the Meteorological Reporter to the Government of Madras.
