Copy of letter from the Director
of Public Instruction, Madras, No.
13386, dated 24th November 1898.

With reference to G.O. No. 362,
Educational, dated 29th June 1897, I
have the honour to state that the question
of stimulating the study of the Uriya
language formed the subject of a
correspondence in 1892 in connection with
the address presented to H. E. the Governor
and the replies made by him during his
tour in the Northern Circars in 1891. The
facilities then existing for the study of
Uriya were fully discussed in my letter No.
5785, dated 25th April 1892, read in G.O.
No. 408, Educational, dated 27th May 1892.
Those facilities continue to be afforded and
the Inspector thinks, and I concur with him,
that no further concessions are necessary.
I still adhere to the opinion I expressed in
1892 that the backwardness of Uriyas is
due more to their failure to take sufficient
advantage of the special privilege already
granted than to the absence of facilities for
their education.

2. The delay in replying to this reference
was due to the Inspector's report having reached
me

me only at the end of last month, the
papers having been mislaid in his office.
