*Proceedings of the Madras Government, Revenue Department,
2nd February 1869.*

No. 30. Read the following letter from the Superintendent of Government Chinchona Plantations, Ootacamund, to the Acting Secretary to Government, Revenue Department, dated Ootacamund, 31st October 1868, No. 174 :—

1. I have the honor to acknowledge the receipt of the Order of Government, under date the 24th instant, No. 2,707, and in accordance therewith, to enclose a Tabular Statement exhibiting the proposed increase of salary to the Assistant Superintendents at Neddiwuttum and Dodabetta. This increase is proposed in consequence of the extension of these plantations, and the present salary of these appointments being inadequate to the responsibility. The increase to have effect from the 1st April 1869.

2. A small increase is also proposed to the salary of the Office Manager, in consideration of his remuneration being insufficient when compared with the duties he has to perform. This increase to have effect from the 1st April 1868.

3. The total increase in the permanent establishment is Rupees 141-8-0, while the decrease in the same department is Rupees 353, the increase in the temporary establishment being Rupees 28.

No. 31. ORDER THEREON, 2nd February 1869, No. 279.

Miscellaneous.

1. The increase in the permanent establishment cannot be sanctioned at present. Mr. McIvor will bring forward this subject after some months of the official year 1869-70 have expired, stating whether there will be any savings in the Budget.

2. The increase proposed for the temporary establishment, should be included in the Tabular Statement called for in the Order of Government, dated 28th January 1869, No. 255.

Memo on No 3454

Pro: 7th September 1866,
No. 2430.

Mr. Mr. Svor proposed to increase the pay of the following servants in the Chinchona Establishment from 1st April 1869.

2. Office manager from 60 to 70. The pay at first attached to this office was 50 Rupees; it was raised to 60 in September 1866, and Mr. Mr. Svor now proposes 70 Rupees. The ground assigned is a general one, viz. that the incumbent is "inadequately paid compared with the duties performed by him."

3. The increase proposed for gardeners & Coolies is as follows:
11 Gardeners from Rs. 6 to Rs. 6 1/2 each
26 Coolies ——— 5 1/2 ——— 6 ———
8126 Coolies ——— 6 ——— 6 1/2 ———

This increase to the small salary

salary of these individuals might perhaps be allowed.

The ground assigned is, that the prevailing rate of pay to Cooks is 7 Rupees each per mensem.

4. Mr. Dawson, Assistant Superintendent at Neddiwettum from 1 Rupee 150 to 1 Rupee 200. Mr. Dawson now draws 200 Rupees in all, inclusive of 1 Rupee 50 as Superintendent of the Sail.

The Sail will be dispensed with on the 1st April next; and although Mr. Dawson will be relieved from his duties connected with that establishment, Mr. McEvor proposes to continue to him 200 Rupees per mensem, "as the Plantations are now

extensive

4- extensive and the pay inadequate."

5. In the temporary establishment, Mr. McEvor proposes to raise the pay of Mr. H. D. Gacien, Asst^l Superintendent from Rs. 125 to Rs. 150, "as the plantations are now extensive and the pay inadequate." He requests that all the three Propagators may be paid Rs. 10 each, instead of 2 at 10 each and 1 at 7 Rs., as their duties are all the same.

6. The total increase in the expenditure proposed by Mr. McEvor is Rs. 4 1/2 in the permanent,

and

and Rs 28 in the tempo-
rary establishment.
He takes credit for the
cost of the jail establish-
ment, viz, Rs 353 to be
dispensed with, but he
is not correct in doing
so. The convicts are to
be replaced by free la-
borers, and there is con-
sequently an increase of
Rs 10,018 in the Budget.

7. There is no provision
in the Budget to meet
this additional expenditure.
The subject will either
have to be reported ^{specially} to the
Government of India for
their previous sanction, or
should be deferred for
some months in 1869/70.
