*Proceedings of the Madras Government, Revenue Department,
2nd February 1869.*

No. 34. Read the following letter from the Under Secretary to the Government of India, Financial Department, (Separate Revenue—Assessed Taxes,) to the Accountant General, Bombay, dated Fort William, 22nd January 1869, No. 538:—

1. In reply to your letter No. 4,023G, dated the 15th instant, asking for explanations on certain points connected with the preparation of the Returns of Assessments on official salaries under Act IX. of 1868, I am desired to convey to you the following instructions.

2. It is very desirable that in Form 16, column 2, the actual number of persons who have been assessed should be correctly shewn, and that the same person should not be entered as more than one individual. This, can only be ensured by your having before you the names of each person assessed. You should therefore instruct disbursing officers to send you a nominal roll shewing the details of Form No. 16, for each individual whom they have assessed. Thus, any error arising from change of station, or of amount of salary, could be avoided. The total amount of the assessment on any individual from the 1st May 1868 would indicate in what line of Form No. 16 he should appear, for that amount considered with reference to the period for which he had been assessed, would shew the rate of his salary per annum.

3. No. correction need be made on account of refunds, but at the end of the year, Supplementary Statements may be furnished shewing the net assessments and omitting the column for refunds, the classification of the persons assessed being made to correspond with the net assessments.

4. A separate Return should be made for assessments on persons paid by Local Funds in the same Form as No. 16, and called Form 16 A.
