No. 263. Read the following letter from the Honorary Secretary, Government Experimental Farm, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 24th January 1870, No. 86:—

By G. O., 29th November 1869, No. 3,061, Rupees (272-3-6) two hundred and seventy-two Annas three and Pies six, were sanctioned for payment of expenses incurred in sending an Apprentice with cattle, implements, etc., from the Farm to the Ootacamund Exhibition of October 1869.

2. Of this sum, Rupees 109-8-0 had been advanced by the Commissioner of the Neilgherries, and on my sending him a Cheque for the amount, he replied informing me that he has already debited the sum against the amount sanctioned for the expenses of the Exhibition.

3. I have therefore the honour to forward to you the Cheque sent by me to the Commissioner of the Neilgherries, in order that the Rupees 109-8-0, already paid to that officer, may be recovered from the amount sanctioned, and also paid to the Government Farm.

No. 264. ORDER THEREON, 23rd February 1870, No. 282.

Miscellaneous.

THE Government do not consider the transaction proposed in paragraph 3 of the above letter necessary. The charges incurred by the Commissioner to the amount of Rupees 109-8-0 have been debited by him in the Public Accounts, and will be passed by the Accountant-General in due course. That sum need not again be paid to the Farm. The Cheque will be returned to the Honorary Secretary.
