*Proceedings of the Madras Government, Revenue Department,

No. 636. Read the following Proceedings of the Board of Revenue, dated 10th January 1877 :—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th December 1876, No. 684.

In forwarding the enclosed copy of a letter from the Deputy Collector, Peapully, I have the honor to recommend, with reference to paragraphs 2 and 3 of the same, that such of the permanent Revenue Inspectors as are employed on relief-works may be allowed an addition of Rupees 10 to their pay as a temporary measure, as they have to work for more than 12 hours every day. I also request that the Deputy Collector's recommendation in regard to the payment of double batta to his establishment may be granted if the Board see no objection. The Deputy Collector has now to be always on circuit, and the usual batta allowed to his subordinates will not be sufficient to cover cart-hire.

ENCLOSURE No. 1

From P. RAJARUTHNUM, Acting Deputy Collector of Peapully, to W. S. FOSTER, Esq., Acting Collector of Kurnool.

THE Tahsildar of Koilkuntla reports that travelling allowances are paid to the Tahsildars of Ramalkota and Nundial, and requests that the same indulgence may be granted to him. I do not know how far his statement as to the procedure in other taluqs is correct. But as the Tahsildars and their Deputies have very heavy work to do and in looking after the relief-works, I have the honor to request you will be pleased to obtain sanction for giving them travelling allowance.

2. The permanent Revenue Inspectors should also be allowed some increased pay or allowance. The taluq-gumastahs who have been appointed additional Revenue Inspectors have been allowed to draw only 5 Rupees more than their permanent pay as the maximum pay you have fixed does not exceed 25 Rupees (*vide* your letter, No. 1,236, dated 18th November 1876). I do not know if these men can draw the batta they usually drew when absent from head-quarters on duty with the Tahsildar. If they cannot draw this, I beg you will be pleased to allow me to supplement their permanent pay by an allowance of 10 Rupees from Famine Funds. A 15-Rupee gumastah will then get 25 Rupees, and the 20-Rupee man 30 Rupees. These men have to work from morning till 10 or 11 o'clock and again from 2 P.M. to 8 P.M. Sometimes they do not go home till past 10 P.M.

3. I would also venture to recommend that double batta may be granted to my office establishment whenever they are absent on circuit with me. They were not able to follow me in my long tour in the Koilkuntla Taluq, and I was obliged occasionally to leave them behind at Owk or at Koilkuntla, and write out most of my reports myself demi-officially.

SUBMITTED to Government with the Board's recommendation that the concession proposed to Revenue Inspectors may be allowed.

2. The extension of G.O., 6th December 1876, No. 1,928, to Kurnool will meet the case of Deputy Collector's establishment.
