*Proceedings of the Madras Government, Revenue Department,
3rd February 1869.*

Read again Board's Proceedings, dated 8th August 1868, No. 5,734, and recorded in Proceedings of Government, dated 24th August 1868, No. 2,247.

No. 48. Read also the following Proceedings of the Board of Revenue, dated 18th December 1868, No. 8,885:—

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated on Circuit at Dindi, in Repalli Talook, 28th October 1868, No. 320.

1. With reference to Board's Proceedings, dated 8th September 1868, communicating Order of Government, dated 24th August 1868, No. 2,247, I have the honor to state that the whole extent of the Inam referred to therein is Acres 81, Guntas 26, both dry and wet, within the boundaries entered in the Chekunama.

2. Portions of dry land only, as detailed in the margin, were cultivated in the three Fuslies preceding Fusly 1268. The amount of assessment realized was Rupees 280-15-6, of which Rs. 197-8-0 was paid to plaintiff on account of mesne profits according to the decree of the Court.

3. In the subsequent two Fuslies, 1268 and 1269, both dry and wet land

was cultivated to the extent shewn in the margin. Consequently the collections from

the Inam amounted to Rupees 441-5-3.

4. I am not aware why plaintiff* only claimed mesne profits at the rate of Rupees 60-4-0 per annum. There is no doubt that the sum of Rupees 441-5-3 was credited to Government as collections from the Inam in Fuslies 1268 and 1269.

SUBMITTED for the information of Government, with reference to their Order of the 24th August 1868, No. 2,247.

2. The excess in collection for Fuslies 1268 and 1269 over the preceding Fuslies, is mainly due to non-cultivation of wet lands belonging to the Inam during the latter period.

3. Even for the preceding Fuslies, however, the Board observe that the collections exceeded the amount claimed and decreed by Rupees 100-3-6.
