1. I have the honor to forward an estimate, amounting to Rupees 3,660, for raising the track of Salt road from Parikeed to Bantumilly, lying near Argole, and building nine tunnels of sizes across streams which intersect it.

2. The portion of country traversed, is of the very worst description of black soil, and nearly impassable whenever rain falls. The tunnels will, I hope, do much towards improving it, whilst raising the road in the worst parts will facilitate the drainage of the water.

3. Should you approve of the work, I request after countersignature, you will forward the estimate for the sanction of the Revenue Board and Government. If your Salt Budget for 1869-70 has not yet been despatched, I would suggest that the work be entered therein for execution during next year.

CIVIL WORKS, No. 48.

The Government approve of the estimate of Rupees 3,660, for improvements to the Salt road between Parikeed and Bantumilly near Argole in the Kistna District, but as the Budget for 1869-70 has been closed, no provision can now be made in it for the work. The Government will, however, endeavour to allot the requisite amount from the Reserve, on an application being made by the Superintending Engineer of the 2nd Division, after the 1st April next.
