*Proceedings of the Madras Government, Revenue Department,
4th January 1869.*

No. 5. Read the following Proceedings of the Board of Revenue, dated 8th December 1868, No. 8,605 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 31st October 1868, No. 264.

1. I have the honor to forward, in the hope that the Board of Revenue will favorably consider the suggestions I am about to make, copy of a letter received from Mr. Kelsall, my Head Assistant, who has been deputed by Government to settle the boundary disputes between this district and Mysore.

2. I am not prepared to recommend any extra allowance being granted to Mr. Kelsall during his employment on this special duty, as I assume, as a matter of course, that no objection will be raised to his drawing his deputation allowance as Acting Head Assistant Collector, although he may not be in charge of his division; but as the duty will take him a long way from his head-quarters, and as he will be put to considerable expense for the carriage of supplies to the remote parts of the district, where he will be encamped, I think that he should be allowed to draw extra tentage at the rate sanctioned for Sub-Collectors, and I trust that this suggestion will have the support of the Board. The duty will be anything but a pleasant one, especially as the Superintendent of the Revenue Survey in Mysore advises me that he will not be able to depute an Officer to meet Mr. Kelsall till the middle of January, which will carry the work well into the hot weather.

3. During Mr. Kelsall's employment on other duty I propose to put Mr. Buick, the senior of my two Assistants, in charge of the four talooks which make up the Head Assistant's Division. Considering the nature of the charge that the settlement of at least three of the talooks will devolve upon him, and his standing in the service, I think that, in all fairness, he should be permitted to draw the deputation allowance of an Acting Head Assistant; but as Mr. Kelsall draws this, a special order from Government will be necessary.

From the Acting Head Assistant Collector, to the Collector of Bellary, dated 27th October 1868, No. 343.

1. With reference to the Order of Government, No. 171, dated 1st August last, deputing me, in conjunction with an Officer of the Mysore Government, to settle certain boundary dispute, I have the honor to inquire what salary and allowance are to be drawn by me while so employed.

2. In addition to my pay as Assistant Collector, a sum of Rupees 200 is drawn by me as deputation allowance, on account of the appointment in which I am acting.

3. It occurs to me that the Officer, who will be in charge of this division, during my absence on this special duty, will have a claim to this Rupees 200, and I am sure that without the order of Government, the Civil Auditor will object to pass deputation allowance to both of us.

SUBMITTED for the orders of Government.

2. The Board are of opinion that under the circumstances a special allowance of Rupees 200 a month, with the extra tentage of a Sub-Collector, should be granted to Mr. Kelsall whilst engaged in settling the boundary dispute.

3. If Mr. Buick's appointment to act as Head Assistant Collector is endorsed by Government, he will be entitled to the usual deputation allowance.

4th January 1869.*
