*Proceedings of the Madras Government, Revenue Department,
23rd January 1877.*

No. 670. Read the following Proceedings of the Board of Revenue, dated 4th January 1877, Miscellaneous No. 75:—

Read the following letter from A. McC. WEBSTER, Esq., Collector of South Canara, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 5th December 1876, No. 2,204.

With reference to Board's Proceedings, Miscellaneous No. 2,248, of the 16th ultimo, communicating G.O., dated the 13th idem, No. 1,644, Revenue Department, I have the honor to report that, as stated in my letter recorded in Board's Proceedings of the 9th February last, No. 1,220, the absence of a passed Assistant Collector in the district does not affect the necessity for the continuance of the establishment provided for such an officer, and that sanction for its retention is necessary until a passed Assistant Collector is available for the district.

SUBMITTED to Government with reference to G.O., 13th November 1876, No. 1,644, and previous correspondence.

(A true Copy and Extract.)

(Signed) H. E. STOKES,
Acting Secretary.

No. 671. ORDER THEREON, 23rd January 1877, No. 306.

Miscellaneous.

The Government observe that the statement now made by the Acting Collector that "the absence of a passed Assist.

ant Collector in the district does not affect the necessity for the continuance of the establishment provided for such an officer" is not identical with the statement in his letter recorded in the Revenue Board's Proceedings of the 9th February last, No. 1,220, to the effect that the establishment allowed to the Assistant Collector "has to be abolished" in consequence of the promotion of the Passed Assistant to act as Head Assistant.

2. The Government see nothing in the conditions of the administration in South Canara to warrant the permanent retention of an additional clerk for the Assistant Collector's Office, whether there is a Passed Assistant in the district or not, and are therefore unable to accede to the Board's recommendation. The services of the temporary clerk on 40 Rupees will, therefore, be dispensed with till there is a Passed Assistant in the district.

The Govt. observe that there is considerable discrepancy between the statement now made by the Asst. Col. that the "abandoned" passed Asst. Col. in the District "does not affect the receiving for the continuation of the establishment" provided for such an officer" is not identical with the statement in his letter received in the New York through the 9th Feb. 1870 to the effect that the establishment allowed to the Assistant Col. "has been established" in consequence of the proposition he passed Assistant to act as Head Assistant -

He for see nothing in the conditions of the administration in S. Camera to warrant the permanent retention of an Asst. clerk for the ^{Asst.} Collector's office whether there is a passed Assistant in the Dis. or not - and are therefore unable to accede to the Bd. recommendation. The services of the temporary clerk on 40W. will therefore be dispensed with till there is a passed Asst. in the Dis.
