*Proceedings of the Madras Government, Revenue Department,
8th February 1869.*

No. 134. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, dated Camp at Ootacamund, 17th December 1868, No. 1,078 :—

With reference to the Government Order, No. 2,842, dated 12th of November last, paragraph 4, I have the honor to request that Mr. W. Cherry may be gazetted as a 3rd Class Assistant Conservator to the charge of the Wynaad Forests.

No. 135. ORDER THEREON, 8th February 1869, No. 327.

Forests, No. 5.

1. In the order under reference by the Acting Conservator, the Government sanctioned the appointment of a 3rd Class Assistant Conservator for the Wynaad Range, and desired the Acting Conservator to report from what date the arrangement should come into force.

2. Major Beddome should have restricted himself to complying with the requisition of Government, leaving it to the Right Honorable the Governor to nominate to the newly created office.

3. His Lordship in Council, however, has already appointed Mr. Cherry to be an Assistant of the 3rd Grade in the Forest Department, and determines that he be now placed in charge of the Wynaad; but, taking into consideration the limited knowledge which Mr. Cherry must possess of his future duties, the Government resolve to direct that Major Morgan, who will shortly be relieved of the Neilgherry Range, shall for the present exercise a general supervision over the operations in the Wynaad Range in addition to his other duties.
