*Proceedings of the Madras Government, Revenue Department,
23rd January 1877.*

No. 713. Read the following Proceedings of the Board of Revenue, dated 17th January 1877:—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 3rd January 1877, No. 76.

With reference to the Proceedings of the Board of Revenue, No. —, of 26th December 1876, I have the honor to state that after consultation with experienced native officials of different classes and professions (including the medical line) I fixed the following rates of grain-wages where it should be necessary to introduce such: for men 1 seer or 2 lbs. rice and 6 Pies in cash, for women 1 seer or 2 lbs. rice and 4 Pies in cash, for children $\frac{1}{2}$ seer or 1 lb. rice and 2 Pies in cash. On Saturdays double wages

and rations for all coolies who had been working during the week, the extra quantity being on account of Sunday, which is a non-working day.*

2. The system of grain-payments has not yet been introduced I think anywhere as yet. I have now modified the above to $1\frac{1}{2}$ lbs. for adults. I request to be informed whether the quantity of grain for children should be modified proportionately.

The Collector is referred to Board's Proceedings, 2nd January 1877, No. 1, as amended by G.O., dated 12th January 1877, No. 108, and by telegram from the Board.

JANUARY
No. 713-714.

Grain-wages to Coolies on Raily Works
Native District. - Recording Proceedings of the
Board of Revenue on Collector's letter relating to
the rates of -

and 6 pice in cash, for women 1 sur
or 2 lb rice and 4 pice in cash -
for children $\frac{1}{2}$ sur or 1 lb rice & 2 pice
in cash. On Saturdays double wages
and rations for all coolies who
had been working during the week
the extra quantity being on account
of Sunday which is a non-work-
ing day.*

* except that
men receive
only 4 pice, like
women, for the
Sunday.

2 The system of grain payments
has not yet been introduced I
think any where as yet. I have
now modified the above to $1\frac{1}{2}$ lb
for adults. I request to be in-
formed whether the quantity
of grain for children should be
modified proportionately.
