From the Agent and Manager, Madras Railway, to the Consulting Engineer for Railways, dated Madras, 17th April 1895, No. E. 431/366.

With reference to schedule J of the minutes of the official meeting and stores committee held on 10th December last, I have the honour to forward herewith an estimate with plan No. 3427 for the proposed through siding at Washermanpet and to request that the sanction of Government may be conveyed to me for the required outlay Rs. 11,091, chargeable in the proportion of Rs. 11,070 to Capital and Rs. 21 to Revenue.

2. The siding is wanted as it is found delay occurs in working branch trains to connect with main line trains owing to the numerous light engines that have to pass over the section.

3. The matter received my support at the official meeting referred to above.

4. Information as to provision in the budget and date on which sanction will lapse is given on the estimate.

ORDER—dated 6th May 1895, No. 331 R., Public Works.
