GOVERNMENT OF MADRAS. PUBLIC WORKS DEPARTMENT.

Railway.

Read the following paper:—

From the First Assistant to the Resident in Mysore, to the Consulting Engineer for Railways at Madras, dated Bangalore, 8th March 1895, No. 832/2688.

I am directed to forward for information a copy of a letter No. 6448/9119, dated the 19th October 1894, from the Agent and Manager, Madras Railway Company, to the address of the Secretary to the Government of Mysore for Railways on the subject of increasing the fares for passengers on the Kolar Gold Fields Railway.

2. As the Mysore Durbar have now communicated their acceptance of the proposals made by Mr. Moss, I am to request that the Government of Madras may be moved to bring them into force.

ENCLOSURES.

From the Agent and Manager, Madras Railway, to the Secretary to the Government of Mysore for Railways, dated 19th October 1894, No. 6448/9119.

I have the honour to inform you that under the instructions of my Board the third-class fare on the Madras Railway is being raised from 1½ to 2 pies with effect from the 1st January next, and I beg to inquire if the Mysore Government will agree to the same rate being brought into force on the Gold Fields State Railway.

I shall also be glad to know if they will agree to the first and second class rates being levied on the same mileage scale as in force on the Madras Railway, viz., 12 pies for first-class passengers and 6 pies for second-class passengers.

You are aware that the first and second class rates now in force have not given satisfaction to the mining agents and it seems desirable to take advantage of the change in the fare tables of the Madras Railway to alter the rates from the 1st January.

I enclose a copy of a table showing the fares now in force and those which would be charged if this Company's scale of rates were adopted.
