The revised Capital establishment roll,
—, for 1895-96, sanctioned subject to pro-
vision being made in and sanction obtained
to the completion estimate.

Memorandum to accompany revised Proposition Statement
of the Mayavaram-Muttupet Railway for 1895-96.

In framing the Schedule of demands and Preliminary Budget
Estimate for 1895-96 it was anticipated that the major portion of
the works on the M. M. Ry would be finished and that only
₹ 30,000 would suffice to complete the remainder. In a further
Examination it was found that this sum would not be enough
and that to bring the line to the proper standard of efficiency
a sum of ₹ 1,23,263 will be required. The Completion Estimate
for the increased amount is under preparation and will be
forwarded as soon as possible.

The increased Expenditure necessitated an increase in the
Establishment and the Principal excess in the Proposition
Statement now submitted is under Engineering due to the
retention of the supervisor in charge and to additional
clerical staff for the Divisional Office.

The Depot stores at Tiruvalur will be closed at the end of
1894-95 but in order that the accounts should be properly
closed, it is proposed to retain the stores Establishment up to
the end of September 1895.
