*Proceedings of the Madras Government, Revenue Department,
15th February 1869.*

No. 250. Read the following Proceedings of the Board of Revenue, dated 5th January 1869, No. 20:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Negapatam, 10th December 1868, No. 256.

1. I have the honor to submit, for the sanction of Government, an estimate, amounting to Rupees 12,650, for restoring Road No. 46 from Kangalanjeri to Nagore.

2. This road is not entered in the Road Fund Budget of the current year, but it is proposed to incur an expenditure of Rupees 4,000 from the unappropriated balance of Rupees 1,03,959, referred to in the Board's Proceedings, dated 13th November 1868, No. 8,037. The balance of the estimate will be provided for in the next year.

3.. The necessity for this work is fully explained by the Superintending Engineer, from whose letter I subjoin an extract:—

“ The estimate of Rupees 12,650 provides for restoring Road No. 46 from Kangalanjeri on Road No. 35 to Nagore; this is a very useful road, and taps a very valuable bit of country. The road has never been properly formed, and owing to its lowness and to encroachments upon it, it is almost impassable from about four miles from Kangalanjeri to the point where the road joins the Vattaser north bank, one-and-a-half miles from Nagore, except during dry weather, and when there is no cultivation on the adjacent lands. It is probable that not more than Rupees 4,000 can be expended on this road during the current year, but the balance may be provided for in 1869-70.”

ENCLOSURE No. 1.—Estimate.

THE estimate, amounting to Rupees 12,650, received with the foregoing letter, will be submitted for the sanction of Government.

2. The work is entered in the Road Fund Budget for 1869-70 as Item No. 132, with full amount of the estimate allotted for expenditure during that year, but both the Collector and Superintending Engineer propose to lay out on the work Rupees 4,000 during the current year from the unappropriated balance of the fund. On the receipt of the sanction of Government to the estimate, the Board will authorize the necessary transfer of funds.

No. 251. ORDER THEREON, 15th February 1869, No. 384.
