No. 179. Read the following Proceedings of the Board of Revenue, dated 23rd February 1870:—

Read the following letter from the Acting Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue, dated Tinnevelly, 1st February 1870, No. 38.

I HAVE the honour to forward herewith two statements, one showing the unspent balance of the District Road Fund sanctioned for expenditure in the current year on new works, and the other showing the allotments proposed, with the concurrence of the Superintending Engineer, for repairing damages done to the local roads by the late floods; and request the early sanction of the Board for the same.

2. The Superintending Engineer has directed the Range Officers to carry on the works, in anticipation of the formal sanction of the Board.

WITH the foregoing letter the Acting Collector submits two lists, one showing the allotments* made for certain new works and repairs, the expenditure† incurred up to date, and the sums remaining unspent;‡ and the other enumerating the local roads which have been damaged by the late floods, and the repairs of which, undertaken by the Public Works Department, are estimated to cost Rupees 24,371.

* Rupees 1,08,169.
† ,, 80,516.
‡ ,, 27,653.

2. Of the sum of Rupees 24,371, the transfer of Rupees 5,000 has already been sanctioned by Government in their Order, dated 13th January 1870, No. 87. In their Proceedings, dated 26th January 1870, No. 574, communicating the Order, the Board requested the Accountant-General to deduct the latter amount from the total allotment placed at the disposal of the Public Works Department. If this has been done, the Accountant-General is requested to replace the amount at the disposal of that department.

3. As the transfer of the remaining sum of Rupees 19,371, forming a portion of the total allotment in favour of the Public Works Department is from New Works to Repairs, the Board request that the Government will be pleased to accord their formal sanction to it.

No. 180. ORDER THEREON, 28th March 1870, No. 387.
