To
The Secretary to Government
Madras

Financ^l Dept. Sir,

With reference to the Stamp Bill now before the Indian Legislature, I am directed to enquire whether the Government of Madras intend to submit any opinion on the subject. It is very desirable that such an opinion should be submitted with all practicable despatch, otherwise it may arrive too late, as the Bill is now well advanced in Committee.

2 I am accordingly to request that you will be good enough to state by Telegraph when the opinion of the Local Government may be expected to reach the Government of India.
