*Proceedings of the Madras Government, Revenue Department,
29th March 1870.*

No. 211. Read the following Proceedings of the Board of Revenue, dated 7th February 1870, No. 864 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated 1st September 1869, No. 208.

I HAVE the honour to acknowledge receipt of the Board's Proceedings, dated 7th ultimo, conveying Order of Government of the 3rd idem, No. 2,243, and to state that on communicating the same to the Superintending Engineer, he sent me a reply, copy of which is herewith sent. I request that, with reference to my letter to the Board, dated 13th August, No. 194, the Board will sanction the refund of the sale-amount.

2. The Superintending Engineer requests that the bungalow and its ground at Rajanagram may be made over to the Public Works Department for public purpose. I request the orders of the Board on the subject. Captain Fischer promises to maintain the premises in repair.

ENCLOSURE No. 1.

From the Acting Superintending Engineer, 1st Division, to the Collector of the Godavery District, dated Dowlaishweram, 27th August 1869, No. 2,034.

With reference to your letter, No. 103, dated 16th instant, I have the honour to inform you that as the building* and the ground on which it stands is Government property, it can be made over to this department and maintained by us as an Overseer's house and Store-shed. As this arrangement will not cancel the refund of the sale-amount (Rupees 245), I request that you will refer the matter again to the Board for their decision. The Board's Proceedings is herewith returned as requested.

* Travellers' bungalow at Rajanagram.

ON re-consideration the Board are of opinion that it is undesirable that there should be no rest-house at Rajanagram, for although few travellers seem to take advantage of it, its abandonment would cause them extreme inconvenience. The site, moreover, which is on the great northern road, and on the road from Rajahmundry to Samulcottah, is manifestly one where there ought to be a public bungalow.

2. The Government have pronounced that the bungalow is not of sufficient use to travellers to warrant the expenditure of Rupees 800, the estimated cost of repairs urgently required. The Board are informed, however, that the building is not an old one, and as the Public Works Department are prepared to undertake the repairs if the building is handed over to them, it occurs to the Board that such repairs as are absolutely necessary may possibly be executed more economically than has hitherto been proposed. The Collector will report on this subject.

3. The refund of Rupees 245, being the price of the bungalow paid by the Public Works Department, is sanctioned.
