*Proceedings of the Madras Government, Revenue Department,
29th March 1870.*

No. 215. Read the following Proceedings of the Court of Wards, dated 14th March 1870, No. 1,733:—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Court of Wards, dated Kistnagherry Talook, 17th February 1870, No. 39.

In conformity with Section 3, Regulation V. of 1804, I have the honour to submit a Statement, showing the particulars of property which has devolved on persons incapacitated by minority.

2. The Statement contains twenty-four cases, and the property is situated in the talooks of Namkul, Usur, and Kistnagherry.

3. In cases in which the minors are joint possessors, I shall move the Civil Court at once for the appointment of suitable guardians. In others, I beg to be informed as to whether the Court of Wards are disposed to take the property under their management. I myself see no necessity for it, especially as the value of the property, in nearly all the cases, is trifling, and will not be worth the trouble that the Court of Wards and the Collector will have to give. If the Court of Wards take the same view as I do, I shall have to apply to the Civil Court for the appointment of guardians in these cases also.

4. It will be observed that, in some of the cases shown in the Statement, much time has elapsed since the death of the last holders. No report was at once made in these cases, as, till the receipt of the Board's Standing Circular No. IX. of 1869, it was considered that a report was only necessary in case of permanently settled estates.

Enclosure No. 1.—Statement.

SUBMITTED for the orders of the Governor in Council, under the Regulation quoted by the Collector.

2. There seems to be no sufficient reason for the Court of Wards to intervene in any of these cases.

No. 216. ORDER THEREON, 29th March 1870, No. 405.
