by the Inspector-General of Police to be sufficient. It appears from G.O., dated 15th August 1876, No. 1,102, Revenue Department, that G.O., dated 3rd March 1876, No. 446, Financial Department, was considered as authorizing such charges being incurred, the necessity being represented to Government and admitted by them; but no specific sanction has been accorded in this particular case. The Collector will be called upon to state the period for which the establishment must be retained.

3. *Kistna*.—The particulars of this establishment cannot be traced in this office. A temporary guard of four men, to watch the new pans at Nizampatam, for a period of five months, was sanctioned in G.O., dated 1st June 1874, No. 670. The Collector will report where the fifty-nine Constables are employed, and for what period their services are required, stating the authority for their retention.

4. *Vizagapatam*.—The marginal establishment appears to be the force specially employed in the suppression of illicit manufacture by patrolling the salt swamps under the authority of G.O., dated 11th August 1873, No. 333. It tallies with the force specified in the letter from the Superintendent of Police, dated 30th January 1876,

Sanction for the retention of the preventive force on its present footing was accorded in G.Os., dated 12th January 1875, No. 63, and 18th January 1876, No. 45, but the Government declined to make it permanent. The Board are unable to trace the sanctions for the remainder of the establishment specified in paragraph 2 of the statement. Additions to the force were sanctioned in G.Os., dated 2nd June 1873, No. 558, 24th March 1874, No. 377, 24th January 1875, No. 88, 16th December 1875, No. 1,814, 24th January 1876, No. 88, 2nd May 1876, No. 1,000, and 1st June 1876, No. 1,000, for the whole number of temporary Constables.
