*Proceedings of the Madras Government, Revenue Department,
30th March 1870.*

No. 228. Read the following Proceedings of the Board of Revenue, dated 11th February 1870, No. 1,010:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Vallum, 27th January 1870, No. 29.

I HAVE the honour to report, for the information of the Board, that four copper

- 1 Image of Venkateswami.
- 2 Do. of Uthayachari.
- 1 Do. of Selvar.
- 2 Chakrams (circular plates.)
- 1 Mukkali (three-legged stand.)

images and three other articles (also of copper) therewith connected, as enumerated in the margin, and weighing altogether 247 Seers, have been discovered in the village of Uppur in the Tritrapundi Talook.

2. They were found buried in the punjah land in the occupation of two ryots, named Karuppa Taven and Kattaperumal, with whose consent a neighbouring ryot, Vaidilinga Chetty, asks to be permitted to remove them to the side of the village tank, where he intends to build a pagoda for them.

3. From the statements expressed by the Board and Government in a similar case on a previous occasion,* I do not suppose that there is any objection to the images being left at the disposal of those in whose land they have been found.

SUBMITTED for the Orders of Government. Similar cases were disposed of in Government Orders, dated 9th July 1863, No. 1,238, and 19th May 1866, No. 1,185.

No. 229.

ORDER THEREON, 30th March 1870, No. 412.

Miscellaneous.

THE Government resolve to leave the images, etc., at the disposal of those in whose land they were found.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.

To the Board of Revenue.
