Dated	19 th February 1869.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
19th February 1869.*

No. 336. Read the following letter from the Superintendent, Government Chinchona Plantations, and the Government Quinologist, Ootacamund, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 13th February 1869, No. 249 :—

1. In compliance with the Order of Government under date the 9th December 1868, No. 3,068, we have the honor to state that on mature consideration we respectfully recommend that the mossing system be applied in May next, to 1,000 trees of the Red Bark, planted on the "1st Denison" Plantation at Neddiwuttum in October 1862; and to 3,000 plants of Red Bark, planted on the "Markham" Plantation in the Spring of 1864; also, to 3,000 plants of Chinchona Officinalis, planted in the Dodabetta Plantation in 1864.

2. We consider the numbers given above as quite sufficient to give a fair trial of the process in a financial point of view. May is mentioned as the time for applying the moss, from the circumstance that the process cannot be successfully used during the dry weather.

No. 337. ORDER THEREON, 19th February 1869, No. 426.

Miscellaneous.

The Right Honorable the Governor in Council is pleased to direct that the recommendations contained in the foregoing letter be carried out in May next as proposed by Messrs. Melvor and Broughton.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.

To the Superintendent, Government Chinchona Plantations,
,, J. Broughton, Esq.

Erd. G. A. Turton.
