*Proceedings of the Madras Government, Revenue Department,
22nd February 1869.*

No. 379. Read the following Memorandum from the Accountant General, Madras to the Acting Secretary to Government, Revenue Department, dated Fort St. George, 18th January 1869, No. 209:—

• Dated 6th January 1869.

From Deputy Accountant General, to Captain Wynch, dated 27th November 1868.
From Captain Wynch, to Deputy Superintendent, Revenue Survey, Saint Thomas' Mount, dated 5th December 1868.
From Deputy Accountant General, to Superintendent, Revenue Survey, dated 22nd December 1868.
From Superintendent, Revenue Survey, to the Accountant General, dated 15th January 1869.

The undersigned has the honor to forward the accompanying letter* from Captain Wynch, with the correspondence noted in the margin, for the Orders of Government; and to state, that the objection to that Officer's claim is set forth in the Deputy Accountant General's Memorandum of the 22nd ultimo, and that the undersigned has no further remarks to make upon the subject.

(Signed) F. LUSHINGTON,
Accountant General.

From the Officiating First Assistant Superintendent, Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated St. Thomas' Mount, 6th January 1869.

1. In forwarding you this letter and enclosures (three) through the authorized channel, I have the honor to request, you will oblige me by laying the same before His Excellency the Governor in Council for decision.

2. In bringing forward this case of mine, in consequence of my pay having been decreased, I would beg to be allowed to remark, that the Deputy Accountant General in his letter* to the Superintendent of Revenue Survey, of the 22nd ultimo, copy of which I received yesterday, appears to have read the Government Order in a different spirit to that in which it was published by His Excellency the Governor in Council; for Government in cancelling the order† of the 29th of September last, which reinstated me to my former position in this department,

* No. 5,397.

† No. 2,497.

did so, only by reason of there being no vacancy in the First Assistants' Grade, and not with the view of decreasing my salary.

3. The Deputy Accountant General, in his letter above alluded to, says, that the half pay of two First Assistants is available, and concludes his letter with the remark, that this amount cannot be passed to me; since I am only officiating; thus, appearing to ignore the fact that Government was good enough to make my case a special one.

4. Under these circumstances, I beg, that His Excellency the Governor in Council may think proper to pass such orders on the subject as may enable me to draw the pay of the rank to which His Excellency in Council was kind enough to reinstate me.

From the Officiating First Assistant Superintendent, Revenue Survey, to the Deputy Superintendent, Revenue Survey, dated St. Thomas' Mount, 5th December 1868.

1. With reference to the enclosed, I beg you will kindly oblige me by forwarding it on to the Superintendent of this department, for his consideration.

pay of a First Assistant having been provided for by the Superintendent's letter† to the Acting Secretary to Government, dated 6th of November last: such being the case, I can see no reason why the Deputy Accountant General should not, my case being a special one, have shown that the pay of a First Assistant could be provided for as shown by me in the margin.

3. Hoping that you will take the same view of this case as I have, and may think proper to bring it to the favorable notice of the Superintendent, in order that it may be rectified.

From the Deputy Accountant General, Madras, to the Superintendent, Revenue Survey, dated Fort St. George, 22nd December 1868, No. 5,397.

Enclosures returned.

Vide your office letter No. 2,034-121, dated 16th instant.

1. States that the vacancy in the grade of Deputy Superintendent, caused by Mr. Beaumont's absence, is filled temporarily by Mr. Cardozo, a First Class Assistant; the half pay of Deputy Superintendent shewn by Captain Wynch to be available is thus reduced to half of a First Class Assistant Superintendent's pay, namely, that left by Mr. Cardozo. The half pay of the First Assistant also alluded to by Captain Wynch, is that of Captain Baynes, and is now payable to Captain Wynch.

2. There is thus available only the half and not the whole pay of an appointment of the 1st Class; but Captain Wynch being only officiating, he has no claims to any portion of this sum, his allowances having been properly regulated by this department, and consisting of half his own pay and half that of First Assistant, the grade in which he is acting.

3. The savings accruing from other appointments, even though they amounted to the full pay of the grade in which Captain Wynch is officiating, cannot be appropriated in the manner pointed out by him.

FORWARDED for information to Captain Wynch, Officiating First Assistant Superintendent, Revenue Survey.

* With enclosures.

I have the honor to forward, for submission to Government, an original letter* from Captain Wynch, Officiating First Assistant Superintendent, Revenue

Survey, and to observe that his statement in paragraph 2, that he was restored to his former position in the Department, is erroneous.

No. 380.

ORDER THEREON, 22nd February 1869, No. 445.

Miscellaneous.

When the Order of Government under date 24th November 1868, No. 2,938, was passed, the Right Honorable

the Governor in Council was under the impression that Captain Wynch would have drawn the full salary of a First Assistant in the Revenue Survey Department, whilst acting in that grade. It now appears that under the rules for deputation allowances, his staff salary will be only Rupees 300 instead of Rupees 350. As, however, there is no permanent vacancy in the grade of First Assistant, the Governor in Council is unable to interfere on Captain Wynch's behalf.
