Forest Mis: No. 31/1407

Proceedings of the Board of Revenue
dated 15th February 1876

Read letter from the Conservator of Forests to Government dated 4th February 1876, No. 151 proposing to remit to the Treasury a sum of Rupees 6000 out of Rs. 15,799 remaining unexpended from the Budget allotment of the Salem Forests for the surrender of the Forest tracts of Climea Kulroyen Jaghire

The Board do not see why any remittance to the Treasury is necessary. If the charge (Rupees 12,500) can be met from savings in the Forest

Budget, the Conservator should request the Collector to debit the amount to Forest and credit it to advances repayable, or suspense account, to whichever head the charge now stands debited.
