Proceedings of the Madras Government, Revenue Department, 8th January 1869.

No. 100. Read the following Proceedings of the Board of Revenue, dated 5th January 1869.

Read the following letters:—

From the Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Guindy, December 1868, No. 1.

1. With reference to paragraph 5 of the Order of Government, dated 22nd December 1868, No. 3,202, I have the honor to request that the Board will obtain the sanction of Government for the following establishment, which I think is the lowest with which I can satisfactorily carry on the duties assigned to me.

1 Head Clerk on Rupees	100
1 Clerk	35
1 Do.	25
6 Peons at Rupees 7 each	42
Total Rupees ...	202

2. For the Head Clerk, I would select Samee Row at present Sub-Magistrate of Streeperumatore. His salary now is Rupees 70, and the additional 30 is not more than enough to compensate him for leaving a fixed appointment to follow my camp through the frontier villages. Mr. Fane does not object to the nomination. Of the remaining clerks, it is requisite that one should be a good English Writer and the other a Vernacular Gumastah. I can select these men from the Collector's Establishment with Mr. Fane's approval.

3. As regards the Survey Establishment, Major Barber has, under instructions from Colonel Priestley, promised to place the services of a Head Surveyor and a demarcation Gumastah at my disposal.

From the same Officer, to the Acting Secretary to the Board of Revenue, dated Sydapet, 4th January 1869.

In addition to the establishment entered in my letter of the 27th December 1868, I have the honor to request you will obtain the sanction of the Board to the employment of a Massalchee on 6 Rupees a month. I omitted to enter this servan in my former letter through oversight, but as the services of a Massalchee will be absolutely necessary, I trust I may be allowed to supply the omission now.

---

1. Submitted to Government with reference to paragraph 5 of the Government Order, dated 22nd December 1868.

2. The Board are of opinion that the establishment proposed by Mr. Thornhill in his first letter is moderate. They do not, however, consider a Massalchee necessary, as his duties can be arranged among the peons. The amount of the salaries of the officials of the Collector's Establishment should be sanctioned to admit of their places being temporarily filled up.

3. The servants employed with Mr. Thornhill will, of course, be entitled to batta at the ordinary rates.
