No. 46. Read the following Proceedings of the Board of Revenue, dated 27th January 1869, No. 553 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 6th January 1869, No. 13.

1. I have the honor to submit, herewith, for sanction, an estimate amounting to Rupees 310, for certain alterations which are required to a portion of the Talook Cutcherry building at Kassergode, in order to secure a Safe room in the Cutcherry for the custody of the Talook Cash Chests.

2. At present the chests are deposited in an almost open space adjoining the Tahsildar's seat on one side and a Lumber room on another, and simply enclosed on two sides by wooden railings. This arrangement being extremely unsafe and inconvenient, it is proposed to do away with the lumber room, and adding the space to the existing Treasury room, to enclose the whole with substantial walls and provide the room with a ceiling.

3. The estimate was prepared by the Range Officer at the the request of Mr. Thomas, to meet the requirements of the recent Orders* of Government and Board, regarding the safe custody of Cash Chests in the talooks.
