Famine Relief.

No. 161A. Read the following Proceedings of the Board of Revenue, dated 24th January 1877, No. 274 :—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 17th January 1877, No. 25.

I HAVE the honor to request sanction for commencing the relief works in Pulny Taluq entered in the enclosed list. They are included in the Sub-Collector's Statement No. 2 enclosed in my letter, No. 511, dated 28th ultimo, and are required chiefly to take the place of the works noted in the margin, on which a number of people were employed in the west of Pulny Taluq, but which will soon be finished. Mr. Martin considers it undesirable to increase the number of persons employed on the road from Pulny to Komaralingam, and I agree with him.

Manur tank.

3. I also enclose a sketch map showing the position of the works in question as well as of those already started in the sub-division.
