Madras 8th Feby 1869

From Mirr Rookunduleen Khan Sahib

Jaguedar of Tandalam

To the Acting Secretary to Government, Revenue

Dept. Fort St. George.

Sir

I beg most respectfully to submit for the Consideration of Govt the following circumstances with reference to their endorsement dated 11th Nov. last on my appeal petition No. 2053 of 1868 regarding the arrears of Quit Rent demanded for my Tandalam Jaghir.

I beg to state that as the Govt. have declined to exempt me from the payment of the arrears of the Quit Rent in question notwithstanding the existence of the various grounds to support my application. I have now no other alternative than to submit to their order and pay down the amount as demanded without further delay. But I now find it a matter of insurmountable difficulty to do so all at once as the undermentioned facts will clearly shew.

That as ⅓ of the Jaghir income is

is now to be carried away as Quit Rent. the whole family which mainly depends upon it for subsistence has to undergo some hardship and much more with it add to their trouble. when 1983 Rs are to be paid up for the said arrears. besides the Quit Rent due for the Current Fasly together with Road Funds &c. especially when there is a severe famine raging on since last 3 years. in consequence of which even 1/3 of the produce is hardly realized.

Furthermore that this year particular, owing to the deficiency of the timely rains has been very disastrous and the general yield of the Gaffir lands was too meagre. Whilst such is the case result the Govt. Can easily perceive the degree of hardship that may be inflicted upon our poor Ryots by the fragmental collections of the Current dues that have unfortunately fallen in arrears by the circumstances beyond our Control.

Under these preying circumstances all that now I humbly pray for, is that the Government may be graciously pleased to order the collection of the said arrears is to be drawn from me with the Quit Rent of a few current Fasly. instead of by a lump payment as now demanded by the Revenue Authorities of the District. This act of Grace on the part of Govt. will relieve us from great hardship and trouble for which we shall ever feel grateful—

In conclusion I beg to submit with deference that the above request is not of an unprecedented nature, nor is it opposed to the practice obtained with Sarkar Commissioner. for I understand that on one or two occasions of a similar nature the Govt. have been pleased to grant the same indulgence to certain Inamdars at the instance of the Inam Commissioner. It is not also too much to expect at this time when liberal remissions are being granted throughout District for want of rain my earnest request which is not for such any remission but simply for a trifling indulgence that does

does not affect the interests of the Govt.) shall meet with a favorable reception.

I remain
Honored Sir
Your obedient Servant
Meir Ruknuddin Khan Jhagirdar of Tandalam

Proceedings of the Madras Government, Revenue Department, 4th March 1869.

No. 88. Read the following Petition from MEER RUKNUDDIN KHAN SAIB, Jaghirdar of Tandalam, in Madras District, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 8th February 1869:—

1. I beg most respectfully to submit, for the consideration of Government, the following circumstances with reference to their Endorsement, dated 11th November last, on my Appeal Petition No. 2,053 of 1868, regarding the arrears of quit-rent demanded for my Tandalam Jaghire.

2. I beg to state that, as the Government have declined to exempt me from the payment of the arrears of the quit-rent in question, notwithstanding the existence of the various grounds to support my application, I have now no other alternative than to submit to their order, and pay down the amount so demanded without further delay: but I now find it a matter of insurmountable difficulty to do so all at once, as the undermentioned facts will clearly shew.

3. That as one-fourth of the Jaghire income is now to be carried away as quit-rent, the whole family, which mainly depends upon it for subsistence, has to undergo some hardship, and much more with it add to their trouble, when 1,983 Rupees are to be paid up for the said arrears, besides the quit-rent due for the current Fusly, together with Road Fund, &c., especially when there is a severe famine raging on since last three years, in consequence of which even one-third of the produce is hardly realized.

4. Furthermore that, this year in particular, owing to the deficiency of the timely rains, has been very disastrous and the general yield of the Jaghire lands was too meagre. Whilst such is the sad result, the Government can easily perceive the degree of hardship that may be inflicted upon us, poor Inamdars, by the payment, *all at once*, of the Circar dues that have unfortunately fallen in arrears by the circumstances beyond our control.

5. Under these pressing circumstances, all that now I humbly pray for, is that the Government may be graciously pleased to order the collection of the said arrears, to be drawn from me with the quit-rent of a few current Fuslies, instead of by a lump payment, as now demanded by the Revenue Authorities of the district. This act of grace on the part of Government will relieve us from great hardship and trouble, for which we shall ever feel grateful.

6. In conclusion, I beg to submit, with deference, that the above request is not of an unprecedented nature, nor is it opposed to the practice obtained with Inam Commissioner; for I understand that on one or two occasions of a similar nature, the Government have been pleased to grant the same indulgence to certain Inamdars at the instance of the Inam Commissioner.
