Rules for management of Forest business, Public Works Department Circular No. 4 F, dated 22nd March 1864.

RESOLUTION.—It appears desirable that the Inspector General of Forests, while absent from head-quarters on tour of inspection, should, as far as practicable, be kept informed of the progress of forest business in the different Provinces, and His Excellency the Governor General in Council thinks that this might to a certain extent be effected by asking Local Governments and Administrations to furnish that Officer with copies of their Monthly Proceedings and Abstracts of Proceedings in the Forest Department, simultaneously with the copy submitted to the Government of India.

2. The Inspector General of Forests will be directed to inform Local Governments and Administrations of the address to which these documents should be directed.
