PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th December 1868.

Read the following letter from W. WILSON, Esq., Acting Sub-Collector in charge of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 25th November 1868, No. 352:—

I HAVE the honor to subjoin, for the consideration of the Board, copy of a letter, No. 152, dated 11th current, addressed by me to the late Acting Collector, recommending the grant of an endowment of Rupees 60 per annum for a choultry built by Goriga Cotee Rutnum at Caza on the Madras and Calcutta high road at a point equi-distant from Guntoor and Seetanagaram on the Kistna. The buildings are excellent and a great convenience to travellers with whom Caza is a favourite halting place. I can only repeat the recommendation I made when addressing the Collector that the request of the builder receive the most favorable consideration of Government.

"I have the honor to forward, for your consideration, an application dated 24th August 1868
"made by Goriga Cotee Rutnum, and the papers
"as per margin, connected therewith, for a grant
"of land yielding Rupees 60 a year towards the
"maintenance of a choultry built by the peti-

Tahsildar's Arzees Nos. 631 and 721, dated 30th September and 30th October 1868, respectively, with their enclosures.

"tioner at Caza on the Madras and Calcutta high road. A plan of the choultry which consists of
"three separate buildings for Brahmins, Sudras, Pariahs, and all other classes of the community,
"prepared by the Rango Officer, is annexed. The estimated cost of the building is Rupees 3,106.
"The village where the choultry is built is equi-distant from Guntoor and Seetanagaram on the Kistna,
"being about 10 miles distant from each. It is for this reason a very favourite halting place, more
"so even than Mangalagiri three miles nearer to the river. At Mangalagiri there is already a
"choultry with a yearly endowment of Rupees 60, and under the strict letter of the Rules the
"request of the petitioner might be considered inadmissible. This rule is, however, not stringently
"followed: thus there are endowed choultries both at Bezwada and Seetanagaram which are sepa-
"rated only by the Kistna, and at the former there will shortly be another which will in all pro-
"bability be endowed by Government. Considering the expense at which the petitioner has been,
"and the very great convenience which a choultry at Caza affords to travellers, I beg to suggest
"that the application be submitted for the most favorable consideration of Government. I have
"frequently seen the buildings which are very good indeed. There is no waste available in any
"of the neighbouring villages, but four ryots* of
"Budampad, in the Talook of Guntoor, have signi-
"fied their willingness to relinquish Nos. 184,
"185, 161, 162, 159, 253, 256, and 180, Acres
"50·19, assessed at Rupees 59-9-9 a year, for the purposes of the choultry, should Government be
"pleased to make the grant now recommended."

IN accordance with the Choultry Rules the previous sanction of the Board should have been obtained before the building was erected. A plan of it should now be submitted.
