No. 14. Read the following Proceedings of the Board of Revenue, dated 25th April 1876, No. 1,093 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 21st April 1876, No. 109 :—

THE Sub-Collector in his letter, No. 109, dated 17th ultimo, reported that in seven of the villages of the Gooty Taluq the crops on dry lands had to a great extent withered in consequence of the failure of rain, and recommended as a relief to the ryots their exemption from the payment of interest and process fees on arrears due by them. I in reply stated that that recommendation did not seem a good one and requested him to recommend a slight remission in those cases where the crops had entirely failed.

2. The Sub-Collector now recommends a remission of Rupees 3,031-12-3, that is some 30 per cent. of the assessment of the lands the crops on which have entirely failed. A statement showing the particulars of these lands is annexed below. Application for the remission should have been submitted by the Sub-Collector before this; but, in consideration of the loss incurred in those villages where the crops have entirely failed, I have the honor to request the sanction of the Board for this remission as a special case.

3. Copy of the Sub-Collector's letter is enclosed.
