Read the following:—

No. 128. Proceedings of the Board of Revenue, dated 14th November 1868, No. 8,076.

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated Salem, 9th October 1868, No. 237.

1. In their Proceedings, No. 6,926, dated 30th ultimo, the Board state that they await the observations of the Collector, called for in Government Order, dated 14th August 1868, No. 2,167.

2. In my letter of the 1st September 1868, No. 210, I have already given the Board my opinion on the claims set up by the Contractor Kristnama Naick, to the timber on the slopes of the Colroyen hills, viz., that he has none, and that prior to the lease now held by the Contractor, the Jaghiredar, Lutchma Gounden, never attempted to assert the right now set up; that holders of small tracts of forest do cause much annoyance and loss to Government by depredations being made in neighbouring Government Jungles is quite true, and I agree with Major Boddome, that to stop these practices, parties should be prosecuted when the offence can be proved. I believe that three months, from 29th July last, was granted with reference to the hearing of the suit against the Forest Department, for Lieutenant Walker, in a demi-official on forest matters, only three or four days ago, mentioned that he would have to be back in Salem by the 27th or 28th instant, in consequence of the calling up of the suit against him by Kristnama Naick. I know of no further information that I can give to the Board concerning the Colroyen Hills, and the Contractor of the Peria Colroyen, than what I have already done in my letters marginally noted. Of the suit against the Forest Department by Kristnama Naicken, I know no particulars, save what I learnt from Lieutenant Walker, and which information the Board have in the enclosures sent them, I believe, with Government Proceedings, No. 868, dated 9th August 1868. With the exception of denying the Contractor's right to the cutting of timber on the slopes, which I have already stated in the above marginal noted letters, I have no observations to make.

SUBMITTED for the information of Government, in continuation of Proceedings of the 30th September 1868, No. 6,926, in which the opinion of the Board is stated on the course to be pursued.

No. 129. Proceedings of the Board of Revenue, dated 17th November 1868.

Read Proceedings of the Madras Government, Revenue Department, dated 11th November 1868, No. 2,821:—

1. Communicated to the Collector who will carry out the instructions contained in paragraph 1 of the order, in the event of the suit being determined in favor of Government.

2. The Board have transmitted Mr. Pochins' reply to the requisition for further information.

3. He appears to have considered that his letter of the 1st September contained all that was necessary.

No. 130. ORDER THEREON, 9th January 1869, No. 62.

Forests, No. 3.

1. The Government desire to know the result of the suit, if it has yet come on for hearing. It is presumed that the Collector's proposed defence has received the approval of the Board, though no copy of it has been submitted to Government.

2. The rent of the Peria Colroyen Jungle should at once be accepted, as sanctioned in paragraph 1 of the G. O., under date 11th November 1868, No. 2,821. The demarcation of the reserves must, however, of course, be dependent on the result of the suit.
