Proceedings of the Madras Government, Revenue Department,
13th February 1877.

Famine Relief.

No. 385. Read the following Proceedings of the Board of Revenue, dated 5th February 1877, No. 480:—
Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. P. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 31st January 1877, No. 64.

WITH reference to the latter part of paragraph 11 of the Board's Proceedings, No. 42A, dated 5th instant, I have the honor to state that the reason of the number of persons gratuitously fed in the Hindupur Taluq being so great was that under the system adopted by Mr. Ross, viz., opening numerous relief houses in each taluq, people crowded in with their families from the Mysore territory.

2. These people have now been sent back to their own taluqs, and the relief houses reduced to a number over which proper supervision can be maintained.
3. The number of persons gratuitously relieved fell last week to 7,245.

SUBMITTED for the information of Government.

ORDER THEREON, 13th February 1877, No. 644.

Miscellaneous.

THE Government observe that in paragraph 13 of the Board's Proceedings of the 2nd instant, reviewing the Weekly Progress Report of the Bellary District, a mention is made to the discovery of fraudulent returns in the Hindupur Taluq, and presume that a report on the matter has been called for. If it has not, it should be called for at once. Pending its receipt the Government accept Mr. Master's explanation of the cause of the increase in numbers gratuitously fed in that taluq.
