Proceedings of the Madras Government, Revenue Department,
10th March 1869.

No. 265. Read the following Proceedings of the Board of Revenue, dated 16th February 1869:—

Read the following letter from the Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated Vizagapatam, 3rd February 1869, No. 67.

With reference to paragraph 6 of the Board's Proceedings, dated the 29th September 1868, No. 6,910, I have the honor to enclose estimates for the works noted in the margin, sanctioned in the Budget of 1868-69, under the head of "Petty Construction and Repairs," and to request early sanction may be obtained for the execution of the works.

1. For constructing two additional Fields of Salt Pans at Bimlipatam, and for the supply of Salt for exportation.
2. For constructing houses for Police Constables guarding Salt Pans at different Divisions.
3. Remodelling the Kupilei Salt Pans after an approved plan, and in a better position.

The estimates received with the foregoing letter, on account of works in the Salt Department, aggregating Rupees 18,050, do not bear the countersignature of either the Collector or the Superintending Engineer. They are simply signed by the Salt Deputy Collector and the Executive Engineer. They are however, submitted for the sanction of Government, as the return of the estimates for countersignature will cause so much delay as to prevent the completion of the works within the current official year. They are provided for in the Budget under Petty Construction and Repairs for 1868-69.

Remodelling the Kupilei Salt Pans after an improved plan	8,000
