THE ENGINEER-IN-CHIEF,

BEZWADA-MADRAS RAILWAY,

To

THE The Consulting Engineer and Joint Secretary to the Govt. of Madras P. W. D. Ry. Branch.

Dated Madras, the 3rd. October 4th 1895

Sir,

I have the honourto submit herewith land plans Set 2 for the North Arcot District together with the necessary schedules.

The Railway passes through the north eastern corner of this district and covers only a length of about 5¼ miles out of which the plan for the first mile and a third can not be submitted at present owing to a little alteration in the alignment proposed between chains 1920 and 2070 so that the plan now submitted is for a small portion only on sheet No. 2. For this small length it has been considered useless to submit the plan which usually accompanies land plans.

I shall feel obliged if you will issue orders for the acquisition of this as well as all other land for this railway under Section 17 of the Land Acquisition Act No. 1. of 1894.

I have the honour to be,
Sir,
Your most obedient servant
Edwd. L. Brown
