Proceedings of the Madras Government, Revenue Department,
15th February 1877.

No. 481. Read the following telegram from Hon. T. C. HOPE, C.S.I., Additional Secretary to Government of India, Department of Revenue, Agriculture, and Commerce, to Secretary to Government, Revenue Department, Madras, dated 7th February 1877 :—

Your telegram of 2nd instant. Government of India merely commend Sir Richard Temple's suggestion to your consideration, but will not interfere with discretion of local Government in a question of this kind. Government of India think that Board of Revenue might be warned against too free remissions and authorized to hold balances in suspense in cases in which it appears likely that the landholder will, without undue pressure, be able to pay up next season.

FOR ORDERS.

I submit that Govt will have nothing to do with hanging up the revenue of one year in terrorem over their Agents for the next year,— but will abate their reliance on the Bd of Rev not making any larger remissions than a careful inquiry may show to be necessary—

2. I was about to despatch the reply to the I. papers submitted yesterday— but a telegram from the Collector at Surat has been received "Detain draft despatch — I am writing you by letter"

I trust I may be deemed entitled to record a protest — I beg to the Govt. of I. accordingly — Measures may hereafter be different — abatement, renewal &c &c.
