Nos. 348-349.

Establishment charges sanctioned in June, July, and August 1868.—Confirmation of Government of India, communicated to Departments concerned.

Proceedings of the Madras Government, Financial Department, 12th February 1869.

No. 18. Read the following letter from the Officiating Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort Saint George; dated Fort William, 19th January 1869, No. 407.

I am directed to acknowledge the receipt of your letters noted in the margin, forwarding Statement of Fresh Charges and Alterations on account of Salaries, Establishments, and Contingencies, sanctioned by the Madras Government within the amount of the budget grant during the months of June, July, and August 1868.

No. 463, dated the 8th October 1868, and three Statements.
,, 467, ,, the 10th ,, ,, and five Statements.
,, 493, ,, the 31st ,, ,,

2. In reply, I am desired to convey the following observations and orders:—

3. The Governor General in Council confirms the sanction given by the Madras Government to the charges incurred in June in the Revenue Department; in July in the Revenue, Judicial, and Ecclesiastical Departments; and in August in the Revenue and Ecclesiastical Departments.

4. Orders on the rest of the Statements for June and August will be communicated hereafter.

5. In regard to the Statements for the month of July, which are not noticed in the above paragraphs, I am desired to state that, of the two items in the Statement for the Public Department, the special monthly allowance of Rupees 125, to the Medical Officer in charge of the Lunatic Asylum at Madras, has already been made the subject of remark in my letter, No. 2642, dated the 25th September 1868, and that the explanation given in respect to the other item, viz., the allowance of Rupees 50 to a Pensioned Apothecary for the Medical charge of a Civil Dispensary at Palcondah Taluq, Vizagapatam, seems hardly to fulfil all the requirements of the case. In the Bengal Presidency, the Government allowance for a Charitable Dispensary is proportioned to the amount of private contribution towards the cost of establishment and contingencies. And as it does not appear what monthly expense for these purposes is incurred by the Residents at Palcondah, I am desired to request you will be good enough, with the permission of His Excellency in Council, to furnish explanation on this point.

6. The sanction of this Government to the temporary charge in the Marine Department for an Assistant on Rupees 300 has already been conveyed in Financial Resolution, No. 3811, dated 31st December 1868.

Ordered that an Extract, paragraphs 1 at 3, from the above letter, together with copies of the Statements referred to, be sent to the Accountant General, Madras, for information and guidance.

No. 19. ORDER THEREON, 12th February 1869, No. 79.

Communicated to the Judicial, Revenue, Public, Marine, and Ecclesiastical Departments.
