In confirmation of my Letter Reference No. 41
dated 14th October 1895, I have the honor to bring
to your notice that another mistake is found in
the declaration published for Kalur village
in page 1120 of the last issue of the Fort
Saint George Gazette, the extent of field
No. 324-1 having been entered as acres 1.17
instead of 0.17. In the office copy of the
draft notification maintained in this office,
however, the correct extent is given. I think
therefore, that 1.17 is apparently a misprint
and beg that the following erratum
may be caused to be published in the Fort
Saint George Gazette.

Erratum

For "1.17" in the last column against
field No. 324-1. in the declaration published
in page 1120 of Part-I of the Fort Saint
George Gazette dated 1st October 1895
read

Current No 2831 Genl
