*Proceedings of the Madras Government, Revenue Department,
15th February 1877.*

Famine Relief.

No. 513. Read the following Proceedings of the Board of Revenue, dated 6th February 1877, No. 510 :—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ettiapuram, 30th January 1877 :—

In acknowledging receipt of Board's Proceedings, dated 23rd January 1877, I have the honor to explain that the Head Assistant Collector has made several special tours over Ottapidaram, and is much better acquainted with that taluq and its present condition than the Salt Deputy Collector is. The same is true of the Sub-Collector with respect to the taluq of Nanguneri. I therefore respectfully request permission to employ the Salt Deputy Collector in the Sattur Taluq, the head-quarters of which is on the railway, and within four hours daily communication with Tuticorin, his head-quarters. Viraragavier, General Charge Deputy Collector, has no particular acquaintance with Sattur, and may be put in charge of Sankaranainarcovil instead, until it becomes necessary to have a special officer for that taluq.

2. I am myself engaged in Ettiapuram, and my Assistant has not yet sufficient experience for the duties required at the present crisis.

3. Pending receipt of further orders from the Board, I will carry out this arrangement, which, I trust, will meet the approval of the Board. As regards the last part of the Board's Proceedings, I beg to state that I undertook payments on *all works* at the request of the District Engineer who thought the accounts, returns, &c., would be easier managed so. I have, however, sent him a copy of the Board's Proceedings under reply, and requested him to inform me what arrangements he desires made. I shall give him all the assistance I am able in whatever he proposes to do.

THE Salt Deputy Collector ought not, under any circumstances, to be moved from a Sea Coast Taluq, and if the Collector requires special aid in Sankaranainarcovil or Sattur, he should provide for it irrespective of the Salt Deputy Collector.
