*Proceedings of the Madras Government, Revenue Department,
15th February 1877.*

Famine Relief.

No. 551. Read the following Proceedings of the Board of Revenue, dated 9th February 1877, No. 547:—

Read the following letter from C. T. LONGLEY, Esq., Collector of S. to H. E. STOKES, Esq., Acting Secretary to the Revenue, dated 31st January 1877, S. N. No. 474-71.

I HAVE the honor to request that the Board will be pleased to extend the concession made in their Proceedings of 13th ultimo of suspending the issue of coercive processes in respect of the realisation of revenue to cases of peishchud and jodigi payable by Mittadars and holders of Inam villages. My reason for making this recommendation is that unless we are lenient with the Zemindars they will be hard upon their ryots, who have been reduced to great straits equally with those in Government villages, and some of the poorer Mittadars find it difficult to pay up the Government demand.

2. I have received several applications on this subject, but have not replied to them, pending the Board's order on this reference.

3. Of course, easy collections will continue to be made from the Mittadars as usual.

THE Board do not approve the Collector's proposal. The ryots in Mitta and Inam villages would not be likely to benefit by the concession if made, but would come upon the Government as in good.

2. With reference to suspension of coercive process even in Government villages the Collector will be guided by Board's Proceedings, dated 22nd January 1877, No. 248. Well-to-do ryots and those who can afford to pay having realised a crop, which at present prices though scant must be very valuable, should be made to pay.
