No. 541. Read the following Proceedings of the Board of Revenue, dated 9th February 1877, Miscellaneous No. 1,963:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Bellary, 31st January 1877, No. 69.

With reference to the Proceedings of the Board of Revenue, dated 13th instant, I have the honor to state that the amount of Rs. 2,05,224 entered for Bellary Taluq in my letter, No. 18, dated 10th instant, is the sum for which cheques were issued for the money required for payment of wages, &c., to coolies employed on relief-works, while the sum of Rs. 4,01,739 as per weekly report represents the wages paid in money as well as in grain, and it also includes the sum for which cheques were issued for the purchase of tools, &c.

2. With regard to other taluqs, I beg to state that the sums given in the above letter were those for which cheques were issued on different taluqs for expenditure of all money for the payment of wages to coolies for the purchase of grain, and for the disbursement of salaries of temporary famine establishment, &c.; whereas the sums entered in the weekly report are only those which were actually paid to coolies employed on relief-works and sums spent on gratuitous relief. The statement does not include the sums expended for the purchase of grain, tools, &c., or for the payment of salaries of the extra establishment, &c., &c. Hence the difference. In making future applications for funds, the particulars asked for by the Board will be given.
